

## **Inclement Weather/Cancellation Policy**

If Pilates in East needs to cancel a class due to weather or any other emergency, we will take the following steps:

- 1) An email will go out to all people enrolled in that class
- 2) The class will show up as “cancelled” on the website

The best way to insure you are notified in the event of cancellation is to make sure you are enrolled in the classes you wish to attend.

If a class is cancelled, clients will not lose credit for that class.

We strive to have plenty of back up arrangements, but there are times when it may be too dangerous for instructors and clients to be driving to and from the studio.

We appreciate your understanding in the event of a cancellation.

Any questions can be directed to Katie DeCamp, Studio Coordinator.
